In the original version of this article, the Acknowledgment section on p. 11 contains an incorrect grant number (RS-2023-00237362). The grant number should be revised to RS-2023-00237543. Therefore, the Acknowledgment should be revised as below;

Acknowledgment

This work was supported by the National Research Foundation of Korea (NRF) grant funded by the Korea government (MSIT) (No. RS-2023-00260527), the Ministry of Trade, Industry & Energy (MOTIE, Korea) (00154752, 00236642, 1415187722, 20022472, 1415187403, 20024017, and 20020392), and Korea Semiconductor Research Consortium (KSRC) (RS-2023-00237543 and RS-2023-00235950).

This correction does not alter the contents of this article including the results, discussions, and conclusions.

Data availability statement

No new data were created or analysed in this study.
