Outstanding Reviewers for *RSC Applied Polymers* in 2025

We would like to take this opportunity to thank all of *RSC Applied Polymers*' reviewers for helping to preserve quality and integrity in chemical science literature. We would also like to highlight the Outstanding Reviewers for *RSC Applied Polymers* in 2025.

Each one of our outstanding peer reviewers has been carefully selected by our editorial team and includes active researchers who have made significant contributions to peer review and have gone above and beyond in their actions.

"Reviewers from across the globe continue to play a critical role in evaluating and enhancing research published in RSC Applied Polymers. The editors have identified a handful of reviewers that have gone above and beyond in their service on this front: from providing insightful comments to help improve the research and make the articles more accessible to readers, to reviewing many manuscripts. Their support of the journal and the cross-disciplinary research community that publishes in RSC Applied Polymers is celebrated" – Professor Emily Pentzer, Editor-in-Chief.
